

# RIBA President's Medals 2023

## Entry Nomination Form

Please read '1\_RIBA President's Medals 2023 - Guidelines and Requirements' before completing this form.

This form is to be completed jointly by the student(s) and the tutor(s) responsible for the development of an entry nominated for the 2023 RIBA President's Medals. If the entry was produced by more than one student or supervised by more than one tutor, please duplicate sections 1 and 3 to provide the co-author(s) and co-tutor(s) details, respectively. Only individuals named in this form will be included in press releases or publications associated with the awards.

Once all sections are completed, please email this form together with the remainder of the entry's digital-only content to [presidents.medals@riba.org](mailto:presidents.medals@riba.org).

All information provided in this form will be treated in the strictest confidence, in line with the [RIBA Privacy Policy](#).

<sup>1</sup> The information requested in this section identifies the author(s) of the entry and helps us address them. For example, choose "She/her" if you would like us to say, "She was nominated for the RIBA Silver Medal". This information will be used for administrative purposes only and will not be made public or shared with the judges prior to their assessment of the entries.

#### 4. Nomination Statement (To be completed by the student nominee)

Please describe your entry in no more than 200 words. This text will be read by the judges to better understand your work and will also be published in platforms such as the RIBA website, press releases, and exhibition materials.

#### 5. Entry Brief (To be completed by the tutor(s) who oversaw the entry)

In no more than 200 words, and not using the name of the student or the school, please provide the brief addressed by the nominee while working on this entry. This information will not be made public but will assist the judges to better understand the design context, the questions asked, the methodology used, and the solutions proposed.
