

## RIBA President's Medals 2022

### 4. Entry Check List

Each entry for the 2022 President's Medals must be accompanied by this form, which is to be completed by the nominated student(s) who produced the entry. Once completed, it must be submitted via email to [presidents.medals@riba.org](mailto:presidents.medals@riba.org) with the documents and materials listed below.

#### Entry title

#### This entry is being submitted for:

- The Dissertation Medal
  The Bronze Medal
  The Silver Medal

#### School of architecture that is nominating this entry

#### Check List

- The author(s) of the entry has/have read the 'PM2022 Guidelines and Requirements' document before putting together this entry, and they understand that the entry may be disqualified if the content does not comply with the award's guidelines and requirements.
- The author(s) of the entry confirm(s) that this entry is anonymous and that the name(s) of the author(s), of the tutor(s), and of the School of Architecture / University are not visible in any image or text and in the metadata of digital files.
- This entry includes a completed Entry Nomination Form.
- This entry includes up to 10 high-resolution images as JPG files.
- This entry includes the same images as low-resolution JPG files for the awards website. By submitting this set of images, the author(s) authorises the RIBA to publish the entry on the awards website at [www.presidentmedals.com](http://www.presidentmedals.com).
- (*Dissertation Medal nominations only*) This entry includes a PDF of the dissertation.

#### Non-compulsory supporting material:

- (*Bronze and Silver Medals nominations only*) This entry includes a digital design portfolio as supporting content related to the entry.
- This entry includes an MP3/MP4 audio-visual file as supporting content related to the entry.
- The author(s) of the audio-visual file(s) authorise(s) the RIBA to publish it on its own not-for-profit YouTube Channels, crediting the author and the school of architecture that nominated them.
